ADMINISTRATION BUILDING

FOREWORD

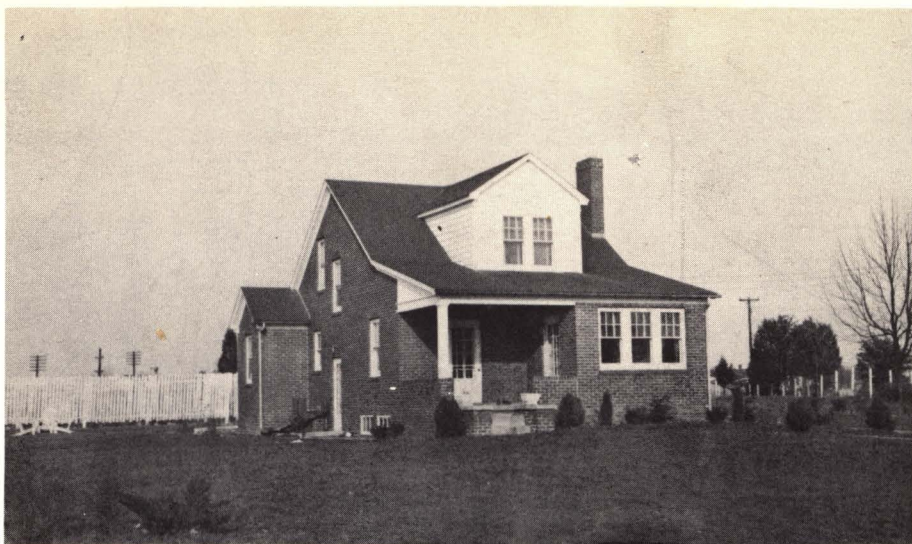

Each year our Dear Alma Mater casts its finished products upon the raging sea of life. It is known that opportunity makes us all seamen. But for the fact that we accept the challenge to carry into prosperity all of the ideals of our school, we, the members of the class of '49, have pledged "to prepare" and "to answer" the cry of "Anchor Aweigh", with the solemn belief that we "can" and "will" be worthy mariners.

It is our hope that through this publication, future classes will be inspired to enlarge their ideals; to develop a more sincere school spirit, higher ambitions and other traits that aid in making our school, our home and our country a better place in which to live.

It is with great pleasure that we express our sincere appreciation to the administration, faculty, classes and clubs who helped to make possible this publication.

ADMINISTRATION

Principal's Message

TO THE GRADUATING CLASS OF 1949

For several years you have been in training at a school which has preserved a heritage of fifty-five years. Together we have cherished the ideals bequeathed to us by OUR FOUNDER - Jennie Dean. Even to this day we are over-shadowed by the objectives of the set up by the Founding Fathers. In the annals of the school these objectives are as follows:

"To train in habits of usefulness those committed to its care, by developing them mentally, morally and physically."

"To teach the dignity and importance of labor, and by means of trades to perform it skillfully and with pride."

"To give a sound, English, common school education."

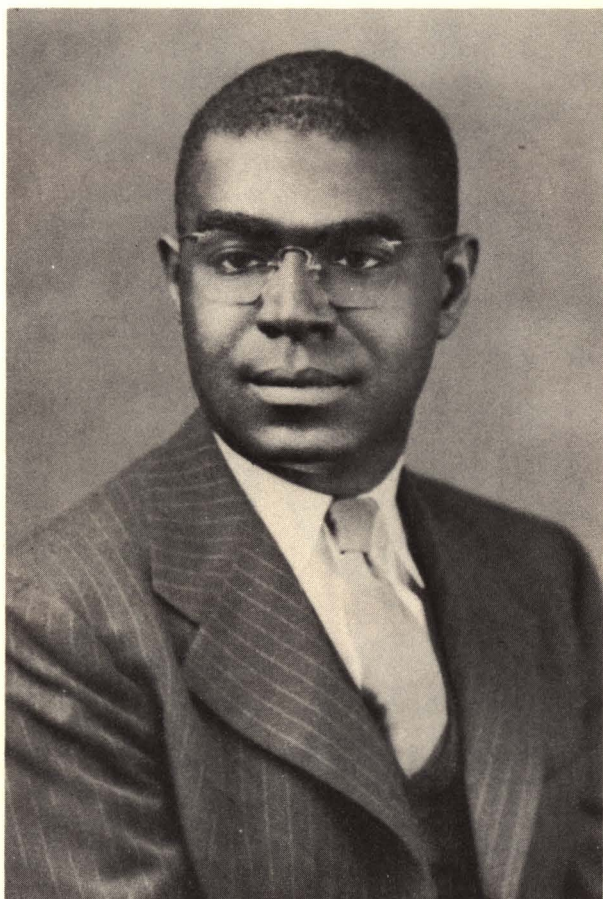

"To teach the value and use of money."

"To train young men and women for useful, intelligent citizenship."

"To make its students self-reliant, careful thinkers, thorough in their work, manly and womanly in their bearing and to cultivate habits of industry."

Hundreds of men and women are today prominent in service because of the influence of your Alma Mater. May you prove faithful to the trust committed to you. Remember Manassas.

"Thy colors gleam for Jennie Dean,
Her faith hath founded thee
We see her patience in the Green,
The white for purity
Manassas, the glowing light,
Oh, Alma Mater Brave
We'll boldly fight for all that's right
Where e're thy colors wave."

We Have Launched

'Twas the fall of '45 that 153 Freshmen came aboard the M. I. S. enroute to "Diploma". We were not adapted to marine life, and we created many difficult adjustment problems before we docked in a small harbor to sponsor the "Freshman Ball".

Our second expedition as Sophomores was more successful for we earned for ourselves a "Signal Station" in the M. I. S. proper, and we made many contributions to the school activities, the highest honor went to Delores Hawkins who reigned as Queen of the Mardi Gras.

Our Junior year was the happiest and busiest of them all. We were represented on every deck of the ship. As the spotlight dropped its silver Beams, we saw, Albert Dower on the gridiron, Cornelia Jackson on the throne, Queen of the Mardi Gras and the entire Junior Class making history as they "swung and swayed" to the music of the "Solid Senders' Orchestra" at the Junior-Senior Prom; the greatest of its kind in M. I. S. history.

Our Senior year finally arrived. As our ship rocked out of the harbor for the last time, we deemed it wise to map out plans for future classes. Captain J. J. Randall and Albert Dowe surveyed the gridiron, and Editor-in-chief, Izetta Cole, and her staff took charge of the Yearbook publication, while the other members participated in the various activities and organizations of the school.

| Enrollment | President | Vice President | Secretary | Treasurer | Sponsors | Best Activities |
|------------|---------------|----------------|---------------|------------|---------------------------|--------------------|
| 153 | E. Woods | M. Williams | V. Turner | L. Thomas | Wilson Simmons Washington | Freshman Ball |
| 114 | C. Washington | C. LeBeau | C. Davis | G. Naylor | Harris Johnson Hines | |
| 87 | J. Brown | C. Jackson | L. Washington | G. Naylor | Harris Warrington Jones | Junior-Senior Prom |
| 70 | D. Hawkins | I. Cole | C. Jackson | M. Nickens | Harris Yeldell Warrington | Year Book |

Statistics show that our crew has been greatly decreased in number, but those who survived now go down the gang plank with higher ideas and greater ambitions to launch a much larger vessel.

Class Poem

Dear Manassas, we must leave thee
To sail life's rugged seas,
But as we sail across the deep,
Our thoughts are all of thee.

We entered your domain as Freshmen,
With hearts that were full of joy.
This was the year we had looked forward to,
Had waited and struggled for.

In our hearts we'll always remember,
Many a happy scene
At our dear old school M. I. S.,
And the memory of Jennie Dean.

We, the class of forty-nine
Are beginning the battle of life.
We'll never forget our instructors who tried
To teach us to fight against strife.

Our four long years have been happy
We're sorry we have to depart.
But time will never change us,
You'll always be first in our hearts.

Class Song

Farewell Manassas, we must take our leave;
Our ambitions lead us afar.
We've spent four years working our goals to achieve,
And our future shines like a star.

Bright moments were spent here, high hopes were fulfilled,
And you'll be in our thoughts everyday.
Your counsel and teachings will never be stilled,
As we travel through life's rugged ways.

We pray for the day when we each prove our worth,
By act, or thought, or deed,
And though we are scattered all over the earth,
To thy words of wisdom, we'll heed.

We look for the day when we'll all reach our goal,
And we know that we'll live true to thee.
Your ideals and principles rooted deep in our soul;
Our guidance, for long years will be.

Prophecy

Ladies and Gentlemen this is Adele Johnson speaking to you from the studios of station W. M. I. S. and bringing you the latest report on progress of the graduating class of 1949. But first a word from our sponsor Porchia Washington.

Folks! if you want to know where your classmates are and what they are now doing read the 1959 issue of "The Jay Dee", sold exclusively at "Jay Dee" news stand.

Hollywood, Flash! Alma Brown has been "Cover Girl" for Glamour Magazine and she has hired Nancy Taylor as her private hair-stylist.

Hollywood, Louella Parsons will report no more Hollywood it was unanimously voted that Loretta Goins could do a much better job.

Virginia, Manassas - Regional High School has a new faculty. Deloris Hawkins who is now principal, Ph. D. from Smith College. She is first woman Principal in the school history. Her staff is composed largely of her former classmates. In the Commercial Department, Miss Mendoria Nickens, in the Home Ec. Department you will hear Helen Robinson saying, "Alright girls, take those stitches out", this phrase she learned from Miss Harris; working with her is Nannie Carter. My! the music department has changed, Doris Williams is teaching Bee Bop only; Wonder if Miss Edmonds taught her that? What happened to the boys? Coach Joesph Randall's team consists of girls only. Knowing that an ankle may be twisted Dr. Orlander Bowyer has consented to serve as a full time physician providing nurse Idella Grayson is on hand to tell him what to do. Daniel King has completed a course in Auto mechanics and has been employed by the P. W. School Board as a school bus mechanic.

Virginia, Alexandria - Alberta Hines has recommended that chemistry be removed from the nurse curriculum in order that she might be able to get her R. N.

Virginia, Hume - Irvin Green is Manager of a chain of 5 & 10¢ stores throughout the South. Stop in to complete your spring or summer wardrobe -- Free Advertisement, Mr. Green!

Washington, D. C. - President Truman is running a want ad for a private secretary. Mary Corum, Alice Bowles, Minerva Colvin, Louise Thomas, Maxine Robinson, and Pauline Williams have been interviewed. Guess who got the job? See the next issue.

Hollywood again - Ruth Brooks has crashed the motion picture industry. She is now starring in the soul stirring picture, "My Private Life". Carlos Thompson is playing opposite her.

Paris - Agnes Hayden is a fashion designer and has Alice Taylor as her model.

Virgin Island - Dr. Frank Johnson has set up a sanitary department and he and Nurse Mary Champ, Nurse Sereta Hogue, and Alberta Hines are doing a wonder job.

Georgia - Mrs. John Lee former Miss Cornelia Jackson has retired from her position as C. P. A. and for the past two years has been living with her husband in Georgia.

New York - James Brown and Kenneth King two outstanding musicians have just organized a Bee-Bop Band and will soon appear at the Appollo. Appearing with them will be one of America's outstanding female quintets, composed of Evelyn Turner, Jeroline Harris, Jeanette Thornton, Mabel Williams and Camilla Brooks with their latest release, "Hot Sauce Boogie".

California - Izzetta Cole is now teaching business at U. C. L. A. with Madge Robinson, Laura Washington, and Emma Scroggins in the same field.

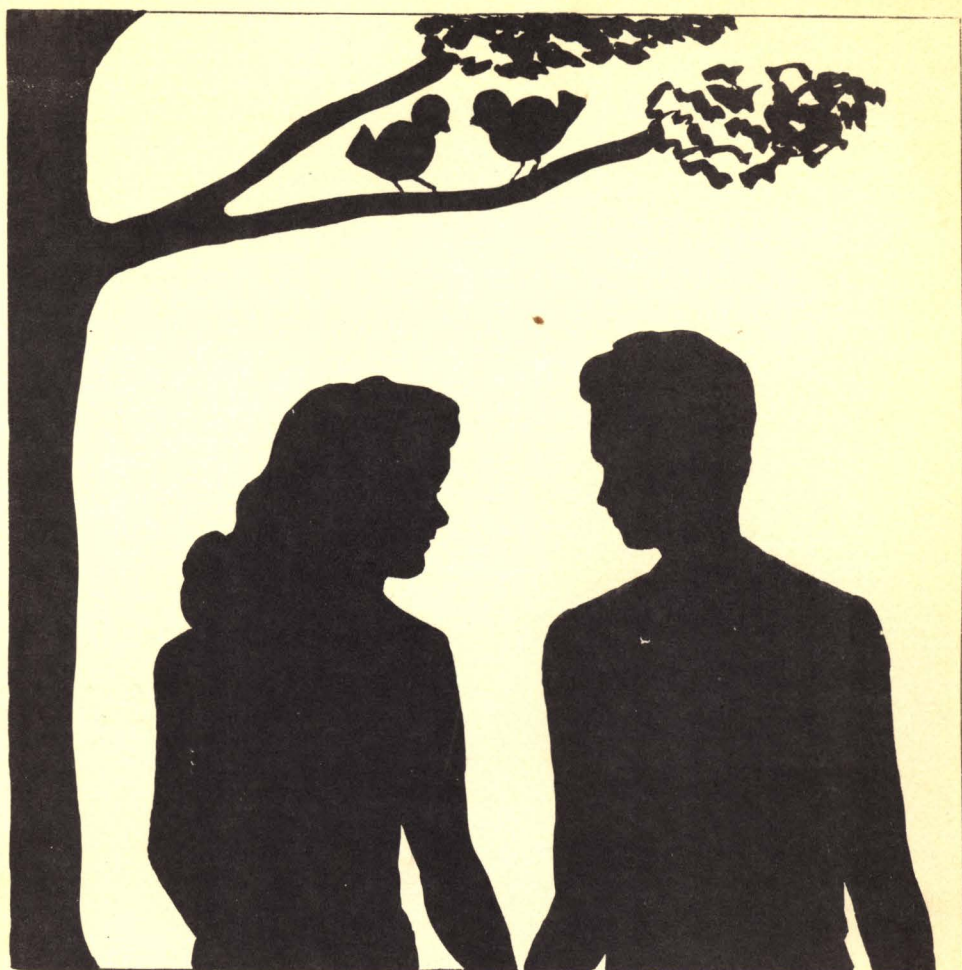

Bermuda - Stella Onley is now in her own hometown teaching English.

Virginia, Gainville - Odessa Webster and Audrey Stribbling have now gone in hair-dressing business together with Geraldine Naylor and Barbara Mack as their nurses. Whenever hot combs are involved a nurse is always handy.

Washington, D. C. again - Emma Newman is now typing in the government.

Virginia, Manassas - Leon Thorne is now working in the Chemistry Department at Regional High School, with Albert Dowe teaching Mechanics and Lee Paige, Jr. in the electrician department.

Missouri - Paul Fairchild is now one of the finest artists in Popular Bluff. I guess you know why - he is the only one there.
